

Notice of Annual General Meeting

Wednesday 26 April 2017 at 12 noon

to be held at The Principal York, Station Road,
York, North Yorkshire, YO24 1AA

This document is important and requires your immediate attention.

If you are in any doubt as to any aspect of the proposals referred to in this document or as to the action you should take, you should seek your own advice from a stockbroker, bank manager, solicitor or accountant or other independent professional adviser duly authorised under the Financial Services and Markets Act 2000 if you are in the United Kingdom, or another appropriately authorised independent adviser if you are in a territory outside the United Kingdom.

If you have sold or otherwise transferred all of your shares in Croda International Plc, you should pass this Notice and accompanying documents to the purchaser or transferee, or to the person through whom the sale or transfer was effected, for transmission to the purchaser or transferee. A personalised proxy form for use by holders of ordinary shares in the Company has been despatched with this Notice.

Dear Fellow Shareholder

Annual General Meeting

I am pleased to enclose the Notice convening the forthcoming Annual General Meeting (the 'AGM' or the 'Meeting') for shareholders of Croda International Plc, which will be held on Wednesday 26 April 2017. The AGM will be at The Principal York, Station Road, York, North Yorkshire, YO24 1AA and will commence at 12 noon. The business to be considered at the AGM is set out in the Notice, which you can find on pages 3 and 4 of this document. Explanatory notes on each Resolution to be considered at the AGM appear on pages 5 and 6 of this document.

Final dividend

Shareholders are being asked to approve a final dividend of 41.25 pence per ordinary share for the financial year ended 31 December 2016. If shareholders approve the recommended final dividend, this will be paid on 1 June 2017 to all ordinary shareholders who are on the Register of Members on 5 May 2017.

The Board of Directors

I would like to take this opportunity to make special mention of Resolutions 5 to 12 which relate to the re-election of directors. In accordance with the UK Corporate Governance Code, all directors will be standing for re-election this year. The Board contains a broad range of skills and experience from different industries and advisory roles and from international markets. These skills support the strategic aims of the Company. A summary of the key strengths and experience of each director and the value they bring to the Board, as well as their biographical details, are set out on pages 34 and 35 of the Company's Annual Report and Accounts or at www.croda.com. Each of the directors being proposed for re-election has been subject to a formal performance evaluation and is considered to be effective in their role and to be committed to making available the appropriate time for Board meetings and other duties. Further details of the performance evaluation are set out in the Corporate Governance report on page 41 of the Annual Report and Accounts.

Actions to be taken by shareholders

Voting on all Resolutions at the AGM will be conducted by way of a poll rather than a show of hands. Your Board believes that this is more transparent and equitable as the voting intentions of all members are taken into account; not just those who are able to attend the meeting. Voting by way of a poll will give as many shareholders as possible the opportunity to have their votes counted, whether tendered by proxy in advance of, or in person at, the AGM. The results of the poll will be announced via a Regulatory News Service and made available at www.croda.com as soon as practicable after the AGM.

Although we like as many shareholders as possible to attend our AGM, I do appreciate that this is not always possible. However, even if you are not able to come to the AGM in person your vote is still important. I would therefore encourage you, regardless of the number of shares you own, to complete, sign and return the accompanying Form of Proxy to our Registrars as soon as possible but, in any event, by no later than 12 noon on 24 April 2017. Alternatively, you may also register your proxy appointment(s) and voting instructions electronically. Please refer to page 6 of the Notice for further details of how to appoint a proxy or proxies, the deadlines for submission and also how to vote electronically. Registration of a proxy appointment will not prevent you from attending and voting at the Meeting if you so wish. CREST members may also choose to use the CREST electronic proxy appointment service in accordance with the procedures set out in the notes to the Notice.

Recommendation

Your Board considers all of the proposed Resolutions set out in this Notice to be put to the AGM to be in the best interests of the Company and its shareholders as a whole. Accordingly, the directors unanimously recommend that shareholders vote in favour of the Resolutions, as the directors intend to do in respect of their own shareholdings.

Questions and answers

The AGM provides an opportunity for you to ask questions about the business set out in this Notice and to raise other matters about the business of the Company. I will endeavour to ensure that discussions are kept relevant and that as many shareholders as possible have the opportunity to speak. I do hope that you will be able to attend the Meeting and I look forward to seeing you.

Yours sincerely

Anita Frew
Chairman

such authorities to apply until (unless previously reviewed, varied or revoked by the Company in a general meeting) the earlier of (i) the conclusion of the next annual general meeting of the Company, and (ii) the close of business on 26 July 2018 provided that in each case, during this period the Company may make offers and enter into agreements which would, or might, require shares in the Company to be allotted or rights to subscribe for, or convert securities into, shares to be granted, after the authority ends and the directors may allot shares or grant rights to subscribe for, or convert securities into, shares under any such offer or agreement as if the authority had not ended.

Disapplication of pre-emption rights

17. That subject to the passing of Resolution 16 in this Notice, the directors be generally empowered pursuant to section 570 and 573 of the Companies Act 2006 to allot equity securities (as defined in the Act) for cash, pursuant to the authority conferred by Resolution 16 in this Notice as if section 561(1) of the Act did not apply to the allotment. This power:

- (i) expires (unless previously renewed, varied or revoked by the Company in a general meeting) at the end of the next annual general meeting of the Company after the date on which this Resolution is passed (or, if earlier, at the close of business on 26 July 2018), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and
- (ii) shall be limited to the allotment of equity securities in connection with an offer of equity securities (but in the case of the authority granted under paragraph (ii) of Resolution 16, by way of rights issue only):
 - (a) to the ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and

Notice of Annual General Meeting

(continued)

- (iii) in the case of the authority granted under paragraph (i) of Resolution 16 shall be limited to the allotment of equity securities for cash otherwise than pursuant to paragraph (b) up to an aggregate nominal value of £679,676.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Act as if the first paragraph of this Resolution the words "pursuant to the authority conferred by Resolution 16" in this Notice were omitted.

- 18.** Subject to the passing of Resolution 16 and Resolution 17 in this Notice and in addition to any power given to it pursuant to Resolution 17 in this Notice, the directors be generally empowered pursuant to section 570 and section 573 of the Act to allot equity securities (as defined in the Act) for cash, pursuant to the authority conferred by Resolution 16 in this Notice as if section 561(1) of the Act did not apply to the allotment. This power:
- (i) expires (unless previously renewed, varied or revoked by the Company in a general meeting) at the end of the next annual general meeting of the Company after the date on which this Resolution is passed (or, if earlier, at the close of business on 26 July 2018), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and
 - (ii) in the case of the authority granted under paragraph (i) of Resolution 16 shall be limited to the allotment of equity securities for cash up to an aggregate nominal amount of £679,676 and provided that the allotment is for the purposes of financing (or refinancing, if the power is used within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-emption Group's Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of this Notice.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Act as if in the first paragraph of this Resolution the words "pursuant to the authority conferred by Resolution 16" in this Notice were omitted.

Company's authority to purchase its own shares

19. The Company be authorised generally and unconditionally in accordance with section 701 of the Act to make market purchases (as defined in section 693(4) of the Act) of its own ordinary shares, provided that:

- (i) the Company may not purchase more than 13,124,776 ordinary shares in the capital of the Company;
- (ii) the minimum price (excluding expenses) which the Company may pay for each ordinary share is 10.357143 pence;
- (iii) the maximum price (excluding expenses) which the Company may pay for each ordinary share is the higher of (a) an amount equal to 105% of the average of the closing middle market price taken from the London Stock Exchange Daily Official List for each of the five business days preceding the date on which the ordinary share is contracted to be purchased, and (b) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the London Stock Exchange Trading Systems;
- (iv) such authority shall, unless previously renewed, revoked or varied, expire at the earlier of (i) the conclusion of the next annual general meeting of the Company, and (ii) 26 October 2018; and
- (v) the Company may, pursuant to the authority granted by this Resolution, enter into a contract to purchase such ordinary shares before the expiry of this authority which would or might be executed wholly or partly after such expiry and may make a purchase of ordinary shares in pursuance of such contract as if the authorities had not expired.

Notice period for shareholders' meetings

20. That a general meeting (other than an annual general meeting) may be called on not less than 14 clear days' notice, provided that the authority for this Resolution shall expire at the conclusion of the next annual general meeting of the Company.

Explanatory notes

1. Resolution 1 – Financial statements

The directors are required to present to the AGM the audited financial statements and the directors' and auditors' reports for the financial year ended 31 December 2016.

2. Resolutions 2 and 3 – Directors' Remuneration Policy and Directors' Remuneration Report

The Directors' Remuneration Policy, which may be found on pages 59 to 65 of the Annual Report and Accounts, sets out the Company's proposed policy on directors' remuneration. A copy of the Directors' Remuneration Policy is also available on the website at www.croda.com or in hard copy on request from the Company Secretary.

The Directors' Remuneration Report, which may be found on pages 55 to 75 of the Annual Report and Accounts, gives details of the directors' remuneration for the year ended 31 December 2016 and sets out the way in which the Company will implement its policy on directors' remuneration. The Company's auditors, PricewaterhouseCoopers LLP, have audited those parts of the Directors' Remuneration Report capable of being audited and their report may be found on page 80 of the Annual Report and Accounts.

The Board considers that appropriate executive remuneration plays a vital part in helping to achieve the Company's overall objectives and, accordingly, and in compliance with the legislation, shareholders will be invited to approve the Directors' Remuneration Report and separately the Directors' Remuneration Policy.

The vote on the Directors' Remuneration Report is advisory in nature in that payments made or promised to directors will not have to be repaid, reduced or withheld in the event that this Resolution is not passed. In contrast, the vote on the Directors' Remuneration Policy is binding in nature in that the Company may not make a remuneration payment or payment for loss of office to a person who is, is to be, or has been a director of the Company unless that payment is consistent with the approved Directors' Remuneration Policy, or has otherwise been approved by a resolution of members.

If Resolution 2 is passed, the Directors' Remuneration Policy will take effect immediately after the end of the Annual General Meeting. The directors are required to seek shareholder approval for the Directors' Remuneration Policy at least every three years, except in the event that a change of the policy is proposed or the advisory vote on the Directors' Remuneration Report is not passed in any year subsequent to the approval of the policy. This timing complies with that recommended by the Investment Association and the relevant legislation.

3. Resolution 4 – Declaration of dividends

The directors are recommending that the ordinary shareholders declare a final dividend of 41.25 pence per ordinary share in respect of the year ended 31 December

2016. The final dividend declared may not exceed the amount recommended by the directors and must be approved by the ordinary shareholders. If approved, the final dividend will be paid on 1 June 2017 to ordinary shareholders who are on the Register of Members at close of business on 5 May 2017.

4. Resolutions 5 to 12 – Re-election of directors

These Resolutions concern the re-appointment of directors. All directors are standing for re-election at this AGM in accordance with the UK Corporate Governance Code. Biographical details of the directors appear on pages 34 and 35 of the Annual Report. The Board considers that each non-executive director is independent in character and judgement. This follows an evaluation during the year that confirmed that each of the directors makes an effective and valuable contribution to the Board and demonstrates commitment to the role (including making sufficient time available for Board and committee meetings and other duties as requested). The Board is recommending that shareholders should re-elect them.

5. Resolutions 13 and 14 – Appointment and remuneration of auditors

The Company is required to appoint auditors at each general meeting at which accounts are presented to shareholders. Resolution 13 proposes the appointment of PricewaterhouseCoopers LLP as the Company's auditors until the conclusion of the next AGM. It is normal practice for a company's directors to be authorised to determine the level of the auditors' remuneration for the ensuing year. Resolution 14 proposes to give such authority to the Company's Audit Committee.

6. Resolution 15 – Political donations

This Resolution enables the directors to incur expenditure of up to £50,000 in aggregate in respect of the activities identified in Resolution 15 (including any such expenditure by a subsidiary company) without unintentionally breaching the provisions of the Act. It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of that expression. However, without the authorisation contained in this Resolution, some of the Company's activities may inadvertently fall within the prohibition contained in the Act and the Company's ability to communicate its views effectively to political audiences and to relevant interest groups could be inhibited without such authority. The authority sought will, if granted, last until the conclusion of the next annual general meeting of the Company when the directors intend to seek renewal of this authority. The Company will continue its policy of not giving any cash contributions to any political party. Any expenditure which may be incurred under authority of this Resolution will be disclosed in next year's Annual Report. During 2016, no donations

were made by the Company or any of its subsidiaries for political purposes.

7. Resolution 16 – Renewal of directors' authority to allot shares

Under section 551 of the Act, the directors of the Company may only allot shares or grant rights to subscribe for or convert any securities into shares if authorised to do so. The Company's Articles of Association give a general authority to the directors to allot shares.

This Resolution, which complies with guidance issued by the Investment Association (the 'IA'), will, if passed, authorise the directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount of £4,485,861 (representing 43,311,761 ordinary shares of 10.357143p each and being approximately 33% of the current issued share capital, excluding shares held in treasury, as at 3 March 2017, the latest practicable date prior to publication of this Notice) and up to an additional amount not exceeding £4,485,861 in the case of allotments in connection with a rights issue. As at 3 March 2017, this additional authority represents approximately 33% of the issued ordinary share capital, excluding shares held in treasury, which brings the aggregate authority for allotments in connection with a rights issue to approximately 66% of the issued ordinary share capital, excluding shares held in treasury. As at 3 March 2017, the Company held 3,876,348 ordinary shares in treasury, representing 2.95% of the issued ordinary share capital of the Company, excluding shares held in treasury. The directors have no present intention to exercise either of the authorities sought under this Resolution. However, the directors may consider doing so if they believe it would be appropriate in respect of business opportunities that may arise consistent with the Company's strategic objectives. If the directors do exercise the authorities, they intend to follow the IA's recommendations concerning their use (including as regards the directors standing for re-election in certain cases). The authorities will last until the earlier of (i) the conclusion of the next annual general meeting of the Company and (ii) 26 July 2018.

8. Resolution 17 and 18 – Disapplication of pre-emption rights

If the directors wish to allot shares, or grant rights to subscribe for, or convert securities into, shares, or sell treasury shares for cash (other than pursuant to an employee share scheme), they must first offer them to existing shareholders in proportion to their holdings. There may be occasions when the directors need the flexibility to finance business opportunities by allotting shares without a pre-emptive offer to existing shareholders, and this can be done if the shareholders have first given a limited waiver of their pre-emption rights.

Resolution 17 and Resolution 18 ask shareholders to grant this limited waiver. The Resolutions will be proposed as Special Resolutions.

Resolution 17 contains a two-part waiver. The first is limited to the allotment of shares for cash up to an aggregate nominal value of £679,676 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents approximately 5% of the issued ordinary share capital, excluding shares held in treasury, as at 3 March 2017 (the latest practicable date before the publication of this Notice). The second is limited to the allotment of shares for cash in connection with a rights issue to allow the directors to make appropriate exclusions and other arrangements to resolve legal or practical problems which, for example, might arise in relation to overseas shareholders.

The waiver granted by Resolution 18 is in addition to the waiver granted by Resolution 17. It is limited to the allotment of shares for cash up to an aggregate nominal value of £679,676 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents a further 5% (approximately) of the issued ordinary share capital, excluding shares held in treasury, as at 3 March 2017 (the latest practicable date before the publication of this Notice). This further waiver may only be used for an allotment of shares for cash for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-emption Group's March 2015 Statement of Principles.

If the Resolutions are passed, the waivers will expire at the end of the next annual general meeting of the Company after the date on which this Resolution is passed (or, if earlier, at the close of business on 26 July 2018).

9. Resolution 19 – Company's authority to purchase its own shares

Resolution 19 is a Special Resolution seeking to renew the authority to purchase up to 10% of the Company's issued ordinary shares (excluding treasury shares). The maximum price to be paid on any occasion for each ordinary share will be the higher of (a) an amount equal to 105% of the average of the closing middle market price taken from the London Stock Exchange Daily Official List for each of the five business days preceding the date on which the ordinary share is contracted to be purchased, and (b) an amount equal to the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange Trading Systems. The minimum price to be paid on any occasion for each ordinary share will be 10.357143 pence. In exercising this authority the directors will comply with the rules of the London Stock Exchange and the

IA guidelines on the purchase of own shares. This authority will expire on the date of the earlier of (i) the next annual general meeting of the Company, and (ii) 26 October 2018.

As at 3 March 2017, the latest practicable date prior to publication of this Notice the full exercise of all options and satisfaction of all awards outstanding under the Company's employee share plans would require the issue of 1,257,836 ordinary shares. This represents approximately 0.96% of the Company's issued ordinary share capital (excluding treasury shares) on that date and would represent 1.03% of the Company's issued ordinary share capital (excluding treasury shares) in the event that the proposed new authority to repurchase shares were to be exercised in full.

Under the Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003 (the 'Regulations') the Company is allowed to hold its own shares purchased in the market in treasury as an alternative to cancelling them. Shares held in treasury may subsequently be sold for cash, transferred for the purposes of employee share schemes or cancelled.

The directors will only purchase the Company's shares from the market if they believe that such purchases will improve earnings per share and will be in the best interests of the shareholders generally. It is the intention of the directors that any such shares purchased will be held as treasury shares, provided that the number of treasury shares does not at any one time exceed 10% of the Company's issued share capital (excluding treasury shares). This would give the Company the ability to re-issue treasury shares quickly and cost-effectively and provide the Company with additional flexibility in the management of its capital base.

10. Resolution 20 – Notice period for shareholders' meetings

The Companies (Shareholder Rights) Regulations 2009 require that all general meetings must be held on 21 days' notice unless shareholders agree to a shorter notice period which is subject to a minimum of 14 days. Prior to August 2009 we were able to call general meetings (other than annual general meetings) on 14 days' notice and this Special Resolution is being proposed so that we can continue to be able to do so. In order to be able to call a general meeting on less than 21 clear days' notice the Company must make an electronic means of voting available to all shareholders for the meeting. This condition is met by the Company providing the facility for shareholders to appoint a proxy via an online shareholder portal operated by our Registrars. It is not the Company's intention to use the shorter notice period as a matter of routine but only when the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole.

1. Entitlement to attend and vote

To be entitled to speak, attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at close of business on 24 April 2017 (or, in the event of any adjournment, 48 hours before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend, speak and vote at the Meeting.

2. Appointment of proxies

- (i) Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact our registrars, Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF. Alternatively you may choose to vote online by logging on to www.capitashareportal.com and selecting the 'Proxy Voting' link. If you have not previously registered to use the portal you will require your investor code ('IVC'), which can be found on your share certificate or dividend tax voucher.
- (ii) To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's registrars, Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF or online at www.capitashareportal.com or, in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below, and in each case by no later than 12 noon on 24 April 2017.
- (iii) The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 3 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
- (iv) In accordance with section 149 of the Act, the right to appoint proxies does not apply to persons nominated to receive information rights under section 146 of the 2006 Act (a 'Nominated Person').

Any Nominated Person to whom this Notice is sent may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right, or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

- (v) The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 (i) and 2 (ii) above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.

3. Electronic proxy voting through CREST

- (i) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- (ii) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 12 noon on 24 April 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- (iii) CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member

concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

- (iv) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Such a request may be in hard copy or electronic form and must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 13 March 2017, being the date six clear weeks before the AGM, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

AGM information

Attending the Meeting

If you are attending the AGM please bring your attendance card and poll card with you. This will authenticate your right to attend, speak and vote at the AGM and also speed your admission. You may find it useful to bring this Notice and the 2016 Annual Report and Accounts in order that you may refer to them in the Meeting. All joint shareholders may attend and speak at the AGM. However, it is only the most senior shareholder by reference to the Register of Members and in attendance who is entitled to vote.

Not attending the Meeting

Whoever you appoint as a proxy can attend, speak, vote or abstain from voting, as he or she decides on any other business which may validly come before the AGM. This includes proxies appointed using the CREST service. Details of how to complete the appointment of a proxy either electronically or on paper are given in the notes to this Notice and in the accompanying Form of Proxy.
